Recommended 8-Semester Plan

This plan is intended as a sample and is not binding. Please consult with your academic counselor to determine the best pathway to graduation for your individual goals and requirements. All students pursuing academic programs of the College must be in good standing to continue in that academic program, register for honors courses, and be eligible for priority registration. Following the initial semester in the College, a student will be in good standing if they maintain a minimum cumulative GPA of 3.00 and maintain enrollment in one of the academic programs (major or minor) of the College.
