

FACULTY SENATE RESOLUTION 92-10

WHEREAS the primary missions of Louisiana State University and Agricultural and Mechanical College are the education of students and the pursuit of research which will enable the creation of new knowledge, and

WHEREAS the selection, promotion, and tenure of the faculty of the University are based upon contributions toward accomplishing these missions;

THEREFORE BE IT RESOLVED that the expertise in education of students and creation of knowledge be recognized and utilized in an effective manner by appointment of elected faculty representatives to the Louisiana State University Board of Supervisors and to the Louisiana Board of Regents, with full voting and participation privileges and responsibilities. The representative will be a Faculty Senate president elected by the senate presidents of the campuses in the LSU System for the LSU Board of Supervisors, and by the senate presidents of the campuses in all systems for the Board of Regents.

ADOPTED: March 17, 1993
